Acorns Corner

Acorns pupils painting 'tricky' words.

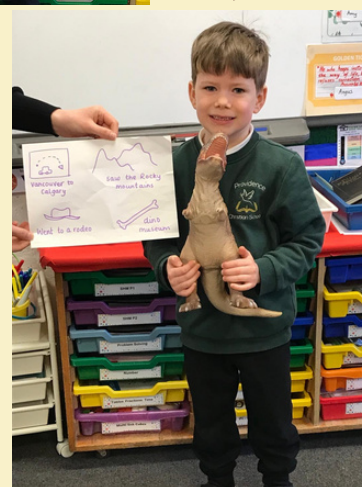

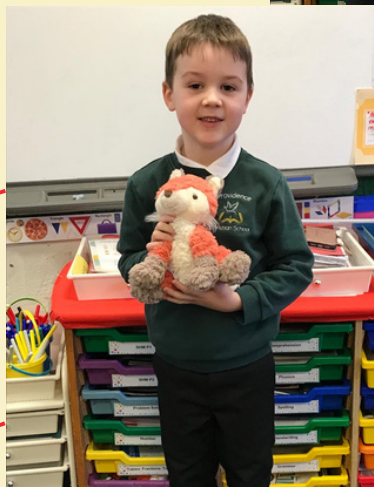

Acorns after comparing Buckwud Organic Maple syrup with Coop Grade A Maple syrup on school-made pancakes! Buckwud Organic came up top for flavour and viscosity!

Some pupil contributions to the Canadian 'Show and Tell'!

Adding with our dice and filling our number line with cubes with our totals.

Learning Themes

Canada

Bible: Faith of Abraham

Oaks Corner

P7 Trip Abroad!

Our P7 pupils hope to go on a trip to Holland this month! They are scheduled to be away Tuesday 19th May until Friday 22nd May. The trip has been organised through cooperation with the church in Holland, that generously supports Christian schools across Scotland.

The trip will include 2 school visits and a meeting with the Education board. They have also generously provided us with a holiday home to stay in, which will facilitate the 4 pupils and 3 adults on the trip. Our costs during our time in Holland will be covered by the church, with a fun and exciting programme for the pupils. We are raising funds toward our travel costs to and from Holland. This includes the ferry, bus, taxi and flights to Holland from Amsterdam. We ask for prayerful support in our efforts to raise funds and travelling mercies during the trip. We hope to provide updates during our time away.

Canada Topic!

Some pupil contributions to the Canadian 'Show and Tell'!

Prayer Requests

Please pray for the safe travel of our P7 pupils and accompanying adults. We would also encourage you to support upcoming fundraising events for the trip! We also remember our P7 pupils in prayer as they hope to move on to Secondary education.

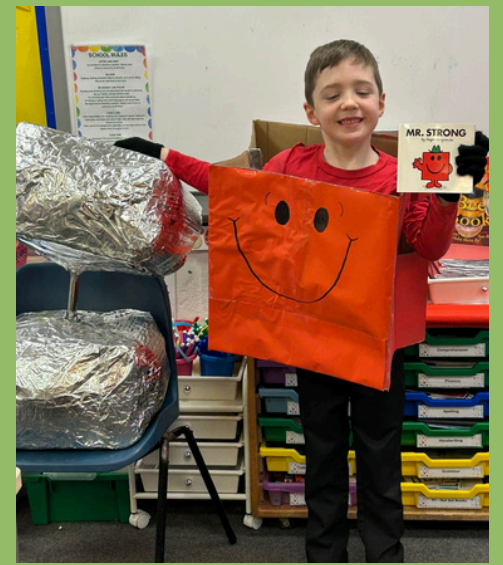

Some Extra Highlights

Fluffy Visitors

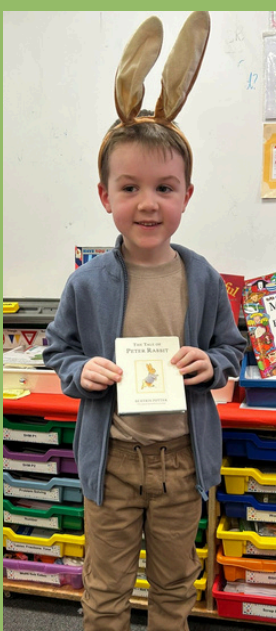

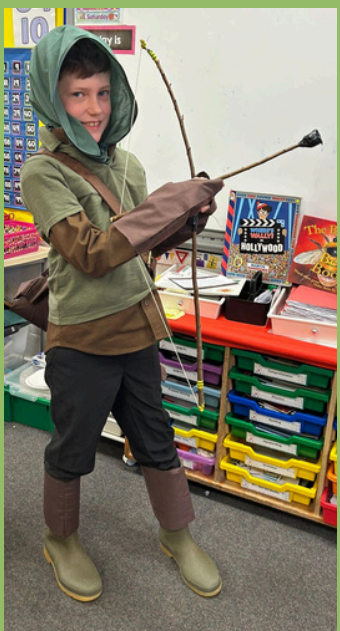

World Book Day

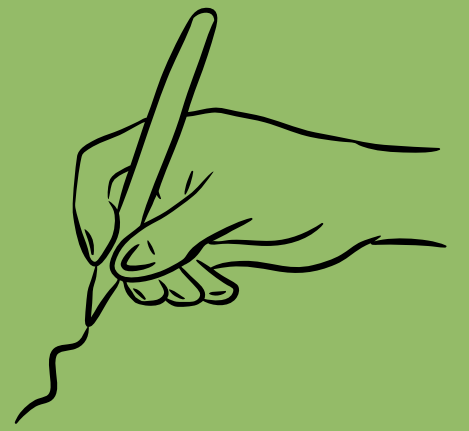

The pupils very much enjoyed their visit from some new lambs!

The pupils enjoyed coming to school dressed as a book character for World Book Day. The costumes were excellent!

A note from the Headteacher

Our third term topic at Providence was 'Canada' which proved enjoyable and informative for our pupils and teachers! We have been busy finding out about the peoples, animals and geography of this vast country as well as learning their anthem which was inspired by Psalm 72. We were blessed to ask questions of two residents via Zoom from Vancouver Island and Prince Edward Island and compare them with our own island here! Alexander Mackenzie from Stornoway who was an early explorer there and Stornoway House in Ottawa (official residence of leader of opposition) were a particular focus of the Oaks and the Acorns, respectively.

In Bible, we learned about Abraham's faith in God from when ' he went out not knowing where he was going ' to the birth of his son when he was a very old man and his grandsons and how ' faith ' believes God's Word and acts on it. We memorised Heb 11: 1-4 and 9-12.

Next term will be the last for four of our P7s and we would encourage you all to remember them in your prayers as they move on to Secondary education. Please give thanks as well for them and all the pupils, teachers and parents and particularly volunteer assistants who give of their time and strength to help provide a Christian education here in in Stornoway. May the Lord prosper our efforts and may He be glorified in it all.

Thank you for your support in prayer and resources and time.

Mrs Stewart

Headteacher

Meet Our Board

Introducing some of the members of the LCEA Board

Faith McIntosh - Secretary

We joined the school as a family 2 years ago when our child began attending in P4. As parents, we have been very thankful for the education that is being delivered at Providence Christian School. The school provides a caring and supportive environment where each child is known and valued as an individual. The small class sizes allow teachers to give personal attention, helping pupils grow in confidence as well as in their learning. We particularly appreciate the school's strong Christian focus, which is reflected in the way staff encourage kindness, respect, and responsibility. We are grateful for the dedication of the teachers and staff who work hard to provide a high standard of education, a nurturing school community and a bible based view of the world.

I was appointed to the role of board secretary to support the board (and by extension the school) by providing administrative and procedural assistance to the board. The role involves organising board meetings, preparing and circulating agendas and papers, recording accurate minutes, and maintaining official records of board decisions and policies. As a technology novice it has been very challenging and diverse, but a fantastic opportunity to help positively support Christian education. It was a role I entered with trepidation and much prayer as I was the successor of a faithful and competent servant who had helped guide and build the school over many years. With the help of the Lord and the support of the school and the board, the blessings have been abundant.

Prayer Notes

Thanksgiving

- Give thanks for the volunteer assistants who give of their time and strength to help provide a Christian education here in Stornoway.
- God's provision of our building, staff and volunteers.
- Continued prayerful and financial support from PCS supporters.

Requests

- Remember our P7 pupils as they move on to secondary education.
- Pray for safety of the P7 pupils and those accompanying them on their upcoming trip to Holland.
- Pray that the Lord would prosper our efforts at PCS and may He be glorified in it all.
- Pray that we will be a light in the community here in the Cearn.
